Do I hear laughter down the hall...

Home Sweet Home...where has it gone...where has it gone?

VERSE 2: Did I see a shadow fade?
Or is the sun just moving shade? I'm hoping so...don't wanna know...
What is it that stares at me? How I hope I never see...
The things I feel...they seem too real...

CHORUS:

BRIDGE: Em A7 D A Em
Among the things long lost and left around...inside a box, I found...a broken frame...
A7
With picture of some girl...her beauty rare...
D A
Wish I'd lived then and there...and knew her name...
E A E Am
It's such a shame...how time goes on...she is gone...where has she gone?

VERSE 3: I catch the smell of a summer rain...
Thunder rolls it's deep refrain...a window shakes...my daydream breaks...
Old home on the edge of a field...all the colors the years have peeled away...
To dusty gray...

CHORUS / INSTRUMENTAL OUT...
