VERSE 2: An idle look upon the book she's reading...
The pages never turn as if of stone...
Although the words are there...she hardly seems to care...
In thoughts of him, her heart feels less alone...

CHORUS: She...keeps Waiting...Waiting...Waiting...
On some distant ship...out at sea...
I wish it carried me...
And if all the ships were lost...never found...
Then would she turn around...to hear the words I'd say...
I'll never go away...and leave you Waiting...ah...ah...

END: Yes if all the ships were lost never found...
Could she turn around...hear the words I'd say...
I'll never go away...and leave you Waiting...ah...ahh...ahh...
